About This Game

This is not a traditional game. Oneirogen is a strange non-competitive 20-30 min room scale experience with gameplay elements.

Oneirogen is a dreamlike circular journey through the depths of the developer's subconscious. Inspired by the writings of Carl Jung and Joseph Campbell, this surreal experience was made for room scale VR from the ground up. Flow from one environment to the next as you experience a magical trip through mysterious realms.

Spend as long as you like in each scene, there are no timers or scores.

No deaths, killing, or intense violence. (Safe for children)

No UI or menus. (Great for showing to newcomers to VR or gaming)

No teleportation. Built with a 3mx3m space in mind. (Limited smooth locomotion available with thumb pad/stick for smaller spaces)

Find the 4 hidden tokens to unlock minigames in the starting room

All proceeds support the artist to develop bigger and better and weirder VR things!

"Truly Transformative"
"Psychedelic and cathartic"
"Mesmerizing!"

Additional sound by Sara Ferret
Trailer music by Nicholas Andrew Sadler

Title: Oneirogen
Genre: Adventure, Casual, Indie
Developer:
Dogū
Publisher:
Dogū
Release Date: 21 May, 2018

a09c17d780

Contols are clucky, Movements are delayed, Just another megaman wannabe without the better platforming.. This game has been abandoned by Linden Labs.. Jeszcze Polska nie zginęła,

Kiedy my żyjemy.

Co nam obca przemoc wzięła,

Szablą odbierzemy.

Marsz, marsz, Dąbrowski,
Z ziemi włoskiej do Polski.
Za twoim przewodem
Złączym się z narodem.

Przejdziem Wisłę, przejdziem Wartę,
Będziem Polakami.
Dał nam przykład Bonaparte,
Jak zwyciężać mamy.

Marsz, marsz, Dąbrowski...

Jak Czarniecki do Poznania
Po szwedzkim zaborze,
Dla ojczyzny ratowania
Wrócim się przez morze.

Marsz, marsz, Dąbrowski...

Już tam ojciec do swej Basi
Mówi zapłakany –
Słuchaj jeno, pono nasi
Biją w tarabany.

Marsz, marsz, Dąbrowski.... First Look: <https://www.youtube.com/watch?v=LdyOT6-D5kw>

[Review to come!](#)

[I really liked this game. very atmospheric. I haven't gotten very far in the game proper but it's already worth it! The music and style. combined with the original concepts. make this a game to seriously consider!. OH MY GOD ITS FRICKEN IMPOSIBLE!](#)

[But kinda fun and cheap.](#)

[5/10 \(This will be a recommend comment though.\)](#)

To anyone considering buying this, its been confirmed its switching to unreal engine 4.

<http://mintagestudios.net/forum/viewtopic.php?f=4&t=9>

I would recommend buying a copy of this now before the price goes up as it likely will when the engine changes. Whats there now is ok, kind of fun arcade game. This could well turn into a great game of which its genre is seriously lacking in choices, arcade style rpg with coop the closest good game like that i know of is alien swarm for free here on steam.. A whole game based on the concept of defying ergonomoy. It is as brilliant as it is simple.. quot:renovation"

I wanted to play more :(. This game was abandoned before first update. I don't recommend buying it.. Assault spy is tricky to review as it's still quite early and rough around the edges but it has a lot of potential.

I really liked the characters and the story. The game does have a charm about it.

The combat is a lot of fun and the controls are solid. It's hilarious beating♥♥♥♥♥♥up with a briefcase and it looks cool as♥♥♥♥.

At the moment I can't help thinking its a little overpriced but I think this does have the potential to be a fantastic game in the end.

Gameplay Video:

.They are so cute

but little expensive DLC just for some pets and items for them but still better than EA.. Very good, checked for drivers that there would be no way to manually update
